Mission

To impart higher education for developing human resources and responsible citizens with a clear aim to cope with the changing global environment with the motto “May the Divine light enlighten us”.

Goal

Our goal is to produce a number of committed and responsible graduates who can serve the area in particular and the nation in general in the years to come.

Objectives

1. To generate and transmit quality education and to provide specialized and demanding education to the students so that they can be gainfully employed in future life.

2. To impart education for inculcation of democratic and secular value and to imbibe commitment towards the society.
3. To strengthen national integration and universal brotherhood, progressive outlook and to ensure preservation and transmission of cultural heritage.
4. To inculcate the spirit of sportsmanship to attain perfection as human being.
5. To bring the woman folk and the underprivileged classes to the field of higher education.

PART- A

The Plan of Action towards Quality Enhancement

The IQAC, Tyagbir Hem Baruah College has chalked out the following programmes in the beginning of the year 2009 towards quality enhancement.

A. Plan of action during 2009-2010

The following initiatives have been taken to fulfill the proposed plan during 2009-10:

- i. Construction of a well furnished Principal's Chamber with Internet facility is on process.
- ii. The Dept. of Zoology and Economics organized two National Seminars sponsored by the UGC.
- iii. Different Depts. of the college organized Departmental Seminars to encourage the students of the college in different areas of the subject.
- iv. Introduction of functional and spoken English course is on process.
- v. Establishment of a zoological museum in the Department of Zoology is on process.
- vi. Construction of a girls common room with attached facilities like, drinking water, toilet etc. is on official process.
- vii. Renovation of a part of the old classrooms, auditorium, play ground etc. has already been completed.
- viii. A maximum number of teachers have started research activities in their respective areas.

- ix. The department of Zoology organized several NEAC programmes in different localities of the Naduar area with financial support of Assam Science Society, Guwahati.
- x. 'International Wetland Day' was observed on 2nd February 2010 at Jamugurihat, organized by the Dept. of Zoology in Collaboration of Suryoday Gosthi, an NGO of Sonitpur district.
- xi. Construction of boundary wall around the college campus in a phase-wise manner (on process, but delayed due to proposed transfer of NH 52 into 4-lane).
- xii. Construction of a well furnished boys' hostel is on process.
- xiii. Extension of existing tea garden for generating funds for the college.
- xiv. Development of in-campus link road (on process).

B. Infrastructure development

New equipments are purchased in the laboratories of the following Departments.

Table-1: Department-wise expenditure incurred on purchasing new equipments

Sl. No.	Departments/ Items	Expenditure incurred (in Rs.)
----------------	---------------------------	--------------------------------------

1	Geography	42,320.00
2	Education	5,000.00
3	Physics	6,300.00
4	Chemistry	15,000.00
5	Zoology	5,000.00

7	Relevance/ learning value of project/ report	751	62.6
8	Overall rating	898	72.2

Format No. 2: Students' feedback on teachers

For feedback on teachers, data had been collected from students using 10 point scale from different departments. For this, the feedback forms were distributed to the students of different departments depending on the students' strength of the respective departments. The number of respondents department-wise are as follows:

Table 2: Department-wise number of students giving feedback

Sl. No.	Departments	No. of respondents
1	English	20
2	Assamese (MIL)	20
3	Nepali (MIL)	15
4	Geography	10
5	Political Science	20

6	Education	20
7	Economics	10
8	History	10
9	Mathematics	5
10	Science	5

By analyzing feedback forms, it has been found that the average rank of the teachers of the college ranges from 6.73 to 9.27 in different departments. It also reveals that the average rankings on the attribute no.-3 (Ability to integrate course material with environment) and attribute no.- 7 (Provision of sufficient timely feedback) are relatively high. Students' response on teachers' communication skill, interest generation, sincerity and commitment is found to be quite encouraging.

Action taken on students' feedback

Different steps have been taken by the college authority for improvement of teachers' efficiency. The teachers are allowed to participate in refresher courses, orientation courses, workshops, seminars etc. Award to the best department was also given based on the performance of students in the degree final year result to encourage the teachers.

Following tables show consolidated percentage of students' score as given in the feedback forms.

40. Others:

The employment of the graduates from the college one of the most outstanding problems of the college as it is situated in rural area and maximum students hail from the remotest areas. Again, most of the students of the college belong to SC, ST and Tea Garden Communities. Proper counseling and guidance is a must for these students so that they can be absorbed in various fields for their service to the society. Efforts have been taken to improvise or upgrade the employment situation in the area.

The number of drop-outs students is found to be considerably high. In order to reduce the number of drop-outs several measures have been adopted by the college authority. Since a majority of students is from economically backward families, therefore the college authority has introduced various career oriented programmes (COPs) to make them self-reliant in future.
